

# SAFETY GOALS AND OBJECTIVE

Rapid Fire Protection, Inc. is committed to providing its employees with a safe and healthful working environment. To achieve this environment, the company has set forth goals and objectives to meet and tactics by which they will be accomplished.

## **Goals**

To annually reduce employee accidents and injuries until they stand at or near zero.

To help develop safe work habits and attitudes among employees.

To provide a channel of communication between employees and management.

## **Objectives**

To establish a Safety Program that will reduce the number of injuries and accidents to a minimum, not merely keeping with, but surpassing, the best experience of other operations similar to ours.

To reduce the injury rates by the maximum possible.

## **Tactics**

To quarterly review past injuries for trends by types and causes of accidents, shifts, repeaters, etc.

To annually review our Safety Program to meet the current safety needs of the company.

To provide supervisors and employees with annual safety training.
